We are pleased to announce that Niagara Orchard & Vineyard Corp has acquired Niagara Fruit & Vegetable Growers Corporation, along with the property. With a combined purchasing and service advantage, we look forward to carrying forward the many benefits we are able to provide to our customers. Our commitment will remain, as always, to provide the best price and service to the orchard, vineyard, greenhouse and landscape clients in the industry. We appreciate the many years of loyalty and understanding that growers have committed to both companies and hope to continue and grow that relationship.

Yours sincerely,
